## Help Us, Help Others

### Lorene Rome

My name is Lorene Rome and I am on the executive board of Nothing Is Impossible. I have been involved with this amazing non profit organization for well over 10 years and I am proud and honored to be part of such a selfless and loving group of individuals that believe in giving their all to help someone in need. We, as a foundation, have been very fortunate over the years to be able to extend our guidance, love and support to so many individuals throughout our community.

I was drawn to Nothing is Impossible because I wanted to give back. Being able to assist and help to bring a person's life back on track after a financial and/or medical setback is one of the most rewarding aspects of being a member of this foundation. I am forever grateful for the opportunity to be a part of something so wonderful.

This past year, through our partnership with DAWN Center for Independent Living, we helped a man who was in kidney failure due to diabetes, which he has struggled with since he was a child. He had been in and out of the hospital over the past several months, and needed to attend dialysis several times a week. During his most recent hospital stay, he could not even be discharged from the hospital. He needed a ramp in order to get in and out of his home with his wheelchair, and he could not afford to pay for one out of pocket. My heart broke for him. How could someone be unable to leave the hospital and return to the comfort of their own home?

We were able to pay for the ramp to his home, and also provided gift cards

for Shop Rite. He needed to apply for food stamps and we knew this could take some time. We wanted him to return home and not have to worry about food. His story touched me because through all of his struggles, he remained positive. He told us that we made him smile because he could return home and see his therapy puppy. Please join in helping others, so that we can continue to bring a smile to someone's face.
